HVAC REBATE SPECIFICATIONS: To qualify for a rebate, newly installed central A/C, central heat pump, or ductless mini-split system efficiency ratings must meet minimum requirements as specified in the HVAC requirement chart above. New system efficiency ratings and BTUh will be verified using corresponding AHRI certificate. The AHRI certificate can be found at ahridirectory.org and must match the new system (condenser, coil, and furnace) model numbers. New system tonnage will be verified using HVAC Conversion Chart. These rebates apply to home improvement or retrofit projects only. Must be a full system one-for-one replacement.

Documentation

Applications must be signed by Account Holder. Missing documentation/information will delay processing. Contractor's invoice/purchase receipt must be provided and show model number and serial numbers for all newly installed equipment. For Central Air, this includes condenser, coil, and furnace. To qualify for an Early Replacement rebate, photos and replaced equipment information are mandatory. Replaced equipment MUST be less than 25 years old for Central System or less than 20 years old for Heat Pump system to qualify for Early Replacement. If any information is not provided, the system is 25 years or older, and/or not operational then rebate will be processed as a Replace on Burnout rebate.

Terms and Conditions

- Eligibility.** The rebate project must be completed for a residential CPS Energy Account Holder within the CPS Energy service area. A residential structure is defined as a single-family home, up to a fourplex. The rebate amount will not exceed the cost of the project. This rebate does not qualify for new homes. (Please see our rebates available for New Home Construction.)
- Access.** Account Holder agrees to allow the program implementer to access its facilities, energy use, and cost information for the purposes of implementing this Agreement. If Account Holder is a tenant, Account Holder represents that by signing this document they have obtained the property owner's permission to install energy efficiency measures under this Agreement.
- Project Timeline.** Applications and supporting documents must be filed within 30 days of the completion of the work. The project must be completed between February 1, 2026, and January 31, 2027.
- Permitting.** To qualify for the rebate, all HVAC equipment must be installed by an HVAC contractor licensed in the State of Texas. Installers shall secure and pay for all permits, governmental fees, and licenses necessary for proper completion of the Project. Upon request, the installer shall provide CPS Energy with a copy of the electrical permit or the green tag inspection. Permit number MUST be filled out for all HVAC projects completed within the City of San Antonio limits.
- Program Discretion.** Rebates are available on a first-come, first-served basis. Rebate amounts and offerings are subject to change or termination without notice at the discretion of CPS Energy. THIS PROGRAM IS SUBJECT TO CHANGE OR CANCELLATION WITHOUT NOTICE. The rebate amount will not exceed the total cost of the project.
- Assignment.** Account Holder shall not assign its rights or obligations under the rebate application or these Terms and Conditions, or any part thereof, without the prior written consent of CPS Energy. Further, Account Holder shall not assign, by power of attorney or otherwise, any of the money payable under the rebate application or these Terms and Conditions without the prior written consent of CPS Energy. If Account Holder does not obtain CPS Energy's prior written consent, any purported assignment or delegation shall be null and void. These Terms and Conditions shall bind and inure to the Account Holder's permitted successor or assignee.

- Payment.** In order to qualify for rebates, all HVAC equipment must be installed by an HVAC contractor licensed within the State of Texas. Once completed paperwork is submitted, rebate payments are made within 8-12 weeks for checks, and 2-3 weeks for bill credits. All rebate checks and bill credits will be payable to the Account Holder name on the utility bill (unless payment release authorization request has been made). Bill credit option is not available for payment release authorization to third parties. All rebate checks are payable to the Account Holder named on the utility bill (unless payment release authorization request has been made). If the payment is to be made payable to the installing contractor, the rebate discount must be shown as a credit on the Account Holder invoice. CPS Energy reserves the right to refuse payment and participation if the Account Holder or contractor violates these program terms and conditions. Incomplete applications will either delay payments or result in denial of application approval.
- Inspection and Verification.** Applications are subject to verification. If the verification cannot be completed, the rebate will not be paid. All applications are subject to an inspection by CPS Energy or its designated agent. CPS Energy reserves the right to reject the rebate amount requested if the product installed was not done in accordance with these Terms and Conditions.
- Miscellaneous.** This Agreement shall be governed by and construed under the laws of the State of Texas, without regard to conflict of law rules. The failure of either party to enforce strict performance by the other of any provision of this Agreement, or to exercise any right available to the party under this Agreement, shall not be construed as a waiver of such party's right to enforce strict performance in the same or any other instance. The parties acknowledge and agree that the program implementer is an intended third-party beneficiary under this Agreement.

Disclaimers

TO THE EXTENT ALLOWED BY LAW, ACCOUNT HOLDER AGREES TO INDEMNIFY CPS ENERGY, CLEARRESULT (THE "PROGRAM IMPLEMENTER"), AND EACH OF THEIR AFFILIATES, OFFICERS, DIRECTORS, SHAREHOLDERS, AGENTS, EMPLOYEES, AND REPRESENTATIVES AGAINST ALL LOSS, DAMAGES, COSTS, AND LIABILITY ARISING FROM ANY CLAIMS RELATED TO ANY PRODUCTS INSTALLED OR SERVICES PERFORMED DURING THE INSTALLATION OR MAINTENANCE OF EEM (ENERGY EFFICIENCY MEASURES). NEITHER SPONSOR, CLEARRESULT, NOR ACCOUNT HOLDER SHALL BE LIABLE TO EACH OTHER FOR ANY INCIDENTAL, SPECIAL, INDIRECT, OR CONSEQUENTIAL DAMAGES RELATED TO THIS AGREEMENT. NEITHER CPS ENERGY NOR PROGRAM IMPLEMENTER EXPRESSLY OR IMPLICITLY WARRANTS THE PERFORMANCE OF ANY EQUIPMENT OR ANY QUALITY OF WORK. NO WARRANTY OF ANY KIND, WHETHER STATUTORY, WRITTEN, ORAL, OR IMPLIED (INCLUDING WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE OR MERCHANTABILITY), WILL APPLY.
